

Update-Description

inLab CAD SW 19.1

This document describes changes and improvements compared to previous version inLab CAD SW 19.0

July 2019

General:

Import of *.cmg.dxd files

The implant planning files *.cmg.dxd could not be imported into the software in the region USA. This is corrected with this version.

Quality improvement and stability

Dentsply Sirona continuously improves the quality of its products. As part of this release, several improvements have been made and known software bugs have been fixed. We always recommend using the latest software version.
